

## **Wedekind Manufacturing, LLC**

### **Limited Lifetime Gate Warranty**

Wedekind Manufacturing, LLC, warrants to the original purchaser that its listed sizes of 1 5/8" & 1 7/8" Swinging Gates and 10' x 7' & 12' x 7' Super-frame Gates that prove to be defective in material or workmanship and are absolutely unusable as gates within the lifetime of the original purchaser will be replaced or repaired at Wedekind Manufacturing, LLC's option free of charge, freight at customer's charge to and from nearest plant location. Wedekind Manufacturing, LLC, will determine if the gate is usable as a gate or not. Purchaser must notify Wedekind Manufacturing, LLC, of defective gate within a reasonable amount of time, approximately 2 months. Purchaser will provide detailed pictures, the gate itself, or other evidence Wedekind Manufacturing may require to make the determination that the gate can be used as a gate or not. This process may take an additional 2 or 3 months. Warranty is void on all custom alterations. The gate's damage must only be from animal abuse or by an act of God. The animal abuse must only be from an animal for which the gate was made.

#### **For Questions Regarding Warranty:**

#### **What Is Not Covered By The Warranty:**

This warranty does not cover:

1. Installation, assemblage or operation not made in a manner consistent with normal and customary installation, assemblage or operation, and defects arising thereof.
2. Malfunction or defect resulting from misuse, negligence, alteration, accident, natural disasters, failure to reasonably care for, or lack of performance of maintenance consistent with normal and customary maintenance.
3. Loss of time, inconvenience, loss-of-use of product, or any or all CONSEQUENTIAL DAMAGES.
4. Use of the product with any livestock other than the specific livestock for which such product was intended.
5. Use of the product on any industrial application which does not directly involve the handling of livestock, or any application not involved on the business of farming, ranching, or commercial livestock feeding; the commercial transportation or sale of livestock; the commercial or non-profit exhibition of livestock at livestock shows, rodeos, or related events; the veterinary care of livestock; or any other legal purpose for which livestock can be handled.
6. Paint
